

Not sure which STEM career is right for you?

Take Lockheed Martin's Career Predictor Test to get an idea of which STEM field may be best for you: <https://www.lockheedmartin.com/en-us/who-we-are/communities/stem-education/career-predictor.html>

Wait, THAT is a STEM job?!

Check out NASA's video series "Surprisingly STEM" that highlights exciting and unexpected jobs at NASA that utilize STEM in surprising ways: <https://plus.nasa.gov/series/surprisingly-stem/>

Looking for STEM Scholarships?

Check out Lockheed Martin's STEM Scholarship Webpage and hear from past student recipients: <https://www.lockheedmartin.com/en-us/who-we-are/communities/stem-education/lm-scholarship-program.html>

Everyday STEM with "Talk Techy"

Check out the new "Talk Techy" video series to see how Lockheed Martin engineers apply STEM concepts every day in surprising ways: <https://tinyurl.com/3hwb8mst>

When Will I Ever Use This!?

Have you ever thought "When will I ever use this?!" about a subject or concept in school? Students asked NASA experts this common classroom question and in this video you'll hear answers on how they're still using a few of those unexpected classroom lessons today: <https://www.youtube.com/watch?v=0f9bj4TjfcQ>

Curious for more STEM?

Check out NASA's STEM Learning Resources that connect educators, students, parents and caregivers to the inspiring work at NASA. <https://www.nasa.gov/learning-resources/>
